Notation Key

- (A) — absolute pressure
- (B) — bolt mount accelerometer
- (C) — 4-20mA output accelerometer
- (CS) — captive spring return LVDT
- (F) — flat pack accelerometer
- (FU) — free unguided LVDT
- (G) — gage pressure
- (H) — high range differential pressure
- (L) — low range differential pressure
- (M) — mid range differential pressure
- (S) — stud mount accelerometer
- (V) — ± 5 VDC output accelerometer
